- Greater Vision Christian School** 2021
High School Diploma

Skills

- Communication
- Microsoft Suit(Word, Excel, P.point, Publisher)
- Time Management
- Collaboration
- Programming/Time Management
- Presentation

Projects

- **School Online Management System**

Built a website that helps schools save valuable records for future reference. Anyone can access the school's website around the world and get more information about the school.

- **Portfolio**

Built a responsive portfolio site to showcase my projects and skills as a PHP/Laravel developer. The site highlights my work like the School Management System, includes project demos, and direct links to GitHub + WhatsApp. Designed mobile-first so recruiters and clients can view it easily on any device.
